GLOBAL PHOTOGRAPHIC UNION - GPU (former UPI)

is a worldwide interactive organization for anyone interested in photography, be they casual, serious amateurs or professional photographers.

Founded in Goirle, The Netherlands, September 2007, GPU brings together professional and amateur enthusiasts of all ages and levels of achievement. As a nonprofit organization, its mission is to promote and enhance the art and science of photography in all its phases.

Individual members are offered a wide variety of activities: photo and digital competitions, photo exhibitions in different countries, study groups via mail, web site access, photo books, magazines, Photo festivals, distinctions, titles, and a raft of other activities.

Lascia la tua impronta nel mondo della fotografia

Un club FIAF è il posto giusto per sviluppare e accrescere le tue conoscenze fotografiche, il posto in cui molti fotografi professionisti hanno cominciato come semplici fotoamatori, proprio come te. La FIAF è un'associazione che raccoglie, segue e consiglia oltre 600 fotoclub fotografici e più di 30.000 fotoamatori in tutta Italia; organizza concorsi, mostre, congressi e corsi di fotografia, con lo scopo di permettere un continuo scambio di idee ed esperienze tra i propri affiliati. Iscriversi alla FIAF significa avvicinarsi a un mondo appassionante che ti aiuterà a esprimere tutta la creatività, e chissà, forse un giorno anche tu sarai conosciuto come i più acclamati fotografi di oggi.

Per informazioni telefona subito al numero 011-5629479; saremo lieti di invitarti a far parte della nostra grande famiglia indicandoti il club FIAF più vicino a casa tua, dove potrai fare amicizia e confrontare i tuoi lavori con altri appassionati fotoamatori.
